In adherence to the directive of DENR Secretary Roy A. Cimatu to make the services, plans and programs of the agency available to the inquisitive public, this official website of DENR 10 is one of the strategic means in bringing our regional agency closer to all sectors in the society.

DENR 10 website is a platform to effectively and efficiently communicate our undertakings, efforts and initiatives to develop, preserve and conserve our environment and natural resources, particularly in the region of Northern Mindanao.

Correspondingly, through a collaborative effort, we are making sure that the information we convey to the general public, as displayed in this accessible website, are clothed with accuracy, timeliness and relevance. Similarly, our website is a manifestation of our transparency and accountability as a public office.

I hope that this website will serve its very purpose intended for the public. Likewise, be a tool to acquaint anyone of our institutional mission, vision and goals for this country’s environment and natural resources.

A heartfelt thanks and appreciation for visiting our website. *Ikaw, Ako, Tayo ang Kalikasan. Mabuhay po tayong lahat!*
