

CITIZEN'S CHARTER NO. RO10-L-04. REPRODUCTION OF LAND RECORD DOCUMENTS AND APPROVED SUBDIVISION PLANS (BLUEPRINT COPY AND SEPIA COPY)

The Blue Print copy of plan/other land record documents is commonly used as a basic requirement and reference for most of the land transactions. Offices like the Registry of Deeds, Assessor's Office, Office of the Building Official, CEPALCO, DPWH and the like, require this document to transact their clients' request. Most often, the Blue Print copy of the plan serves as a reference for the Geodetic Engineers for their land survey.
